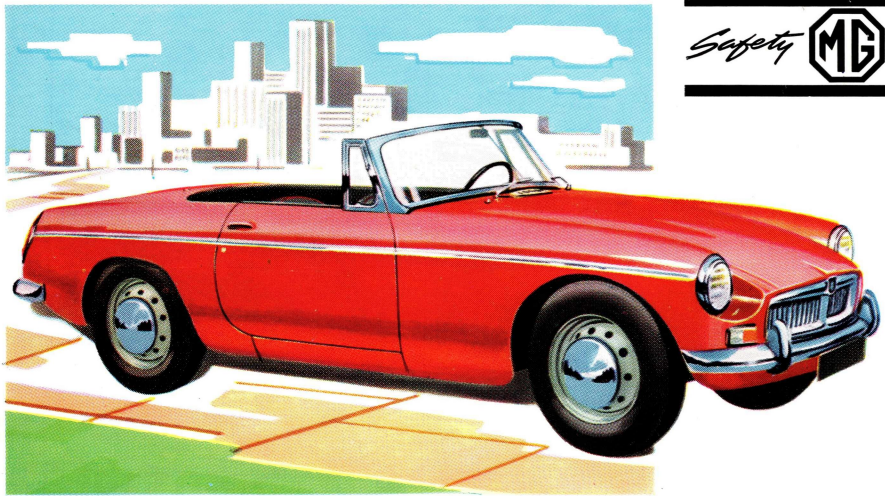
MGB

WITH 1800 c.c. ENGINE

Safety MG *Fast!*



The 'MGB', with the new 1800-c.c. engine, is the car the connoisseur has been looking for. It has an unrivalled combination of 'Safety fast' features. Superb acceleration, sure braking, firm road-holding, and stable cornering. There is luxury too—leather upholstery, ample luggage space behind the seats and in the boot, a curved windshield, a lockable glovebox, and a full range of easy-to-read instruments.
